

Kasasa Cash – Multi Level with Kasasa Saver - Truth In Savings Disclosure

This disclosure contains the rules that govern your deposit account as of 09-21-2023.

Account Overview:

- **Kasasa Cash – Multi Level:** A free variable rate checking account with no minimum balance that rewards accountholders with interest and nationwide ATM withdrawal fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.
- **Kasasa Saver:** A free, variable rate, deposit account with no minimum balance that rewards accountholders with interest when they meet the minimum qualifications associated with their linked Kasasa Cash checking account during each Monthly Qualification Cycle.

Purpose and Expected Use of Account

This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

The National Bank of Andrews reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over 06 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A National Bank of Andrews check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash - Multi Level account, any optional add-on products / services associated with this account will also be terminated at the same time.

Interest Rate & Annual Percentage Yield (APY)

- **Compounding & Crediting:**

Interest will be compounded on a daily basis. Interest will be credited to your Kasasa Cash - Multi Level account on the last day of the current statement cycle.

If you close your account before the interest is credited, you will not receive the accrued interest. Interest begins to accrue on the business day you deposit noncash items (for example, checks).

"Business Day" means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, June 19, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.

"Statement Cycle" means the period of time for which our bank provides a summary of the financial activities and transactions that post and settle to the account holder's account. Visit www.nbabankonline.com or contact (432)523-6800 one of our branch service representatives for specific Statement Cycle dates.

- **Balance Computation Method:**

We use the daily balance method to calculate the interest in your Kasasa Cash - Multi Level account when you meet your account's qualifications. This method applies a periodic rate to the principal in the account each day for the period. The period we use is the Statement Cycle.

We use the average daily balance to calculate the interest in your Kasasa Cash with Kasasa Saver account when you fail to meet your account's qualifications. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the Statement Cycle.

- **Interest Rate & Annual Percentage Yield:**

This is a variable rate account. The interest rate and annual percentage yield may change. The interest rate is determined at our discretion, and we may change the interest rate on your account at any time, without any limitations, and without notice to you.
